ABOUT ME

As a passionate and creative front-end developer, I thrive on bringing ideas to life in the digital world. With a solid foundation in HTML, CSS, JavaScript, TypeScript, and frameworks like React and Next.js, I am committed to crafting seamless and engaging user experiences. My attention to detail and dedication to staying updated with the latest web technologies drive my continuous growth and learning in the field. Eager to collaborate with dynamic teams, I aim to contribute to innovative projects that push the boundaries of web development. Beyond coding, I enjoy participating in hackathons, contributing to open-source projects, and exploring new design trends.
